

Updated Rules / Policies & Holidays from Jan - 2025

- **Quarterly Appreciation Spotlight program.** Every 3 month, few employees who have demonstrated exceptional dedication, teamwork, or innovation will be selected and celebrated for their contributions. Let's take this opportunity to applaud the hard work and achievements that drive our collective success!
- Everyone has to compulsory use ChatGPT or any other AI related tools available, which can save time and improve productivity.
- Everyone must take backup on each project with database (GitHub, local drive, live server) Everyone must create project wise folders and add requirements files, logins and other details for each project separately

NOTE: if anyone forgot or don't keep pushing projects backup on GITHUB then i will put 1 week ABSENT immediately without any excuses!! i don't want any work or code or project data lose or anything anyhow!!

it should be full backup with DB. and if any site repository not found, ask me immediately and push code

- Everyone has to improve their work performance, timeline delivery, communications, Quality, Creativeness and innovation. also, senior developers should take responsibilities for other junior developers for guide / response and make them complete work on time

Few developers are not improving their performance after many times warnings & explained. so, from now i will keep checking these things and give few warnings and still they don't improve performance then immediate action will be taken!

- For attendance, i have seen few employees not doing entries on register and sometime not adding proper date & time. everyone has to compulsory do proper entry every day and manage time in lunch immediately if coming late!
- No Mobile uses during office hours - Mobile phone will be used for emergency calls only or for something urgent. No-one is allowed to use phone multiples times and regularly at office working hours.
- Office Timing same as before. NO changes
- Saturday OFF same as before, No Changes. (1st and 3rd Saturday OFF. Other all Saturday half day)

Note: if we require to do some urgent work on Saturday then we will inform that day and few employees must work. We will count extra hours / day paid

- Paid Leave: same as before (6 Paid leave and 4 Sick Leave)
Must be planned and inform before 1 week to 5 days!)
- If anyone not coming on any office trip or celebrations then they must do work from home or office on same day, otherwise they will be absent for that day. We are hoping all of us join together for any trip or celebrations
- For Bathroom / washroom, everyone should use properly, flush water, don't waste water, close / off valve or tap properly.
* Maintain cleanliness office and work areas *
- Please use office premises properly and don't harm or damage anything
- Holidays: Same as before, No Changes.
